

RPSC Board Positions Proposed for 2023

Motion to Maximize Our Board

In any organization, the key to success is finding passionate, capable people, matching them to the jobs that fit their skill sets, and expecting a high level of performance. The Chair is to provide the strong leadership required for this volunteer organization.

With the continued and planned growth of the RPSC, greater needs and activities have resulted. Growing the Board to 9 voting positions will ensure that the RPSC members are served efficiently and effectively.

This motion calls for the addition of Electronic Communications Chair and Events Chair, thus creating the following RPSC Board positions, effective and to be elected at the 2023 RPSC caucus:

1. Chair
2. Vice-Chair
3. Secretary
4. Treasurer
5. Finance Chair
6. Membership Chair
7. Campaign Chair
8. **Electronic Communications Chair - Proposed**
9. **Events Chair - Proposed**

****These proposed Board positions will need 2/3 approval by RPSC members at a special caucus in advance of the annual caucus.**
